

The Pickle Factory & Canvas

Brochure

The Pickle Factory

The Pickle Factory

Once a pickle factory, this warehouse then became a medical supplies storage facility until it was finally reinvented as a contemporary and versatile events space.

The Pickle Factory offers 255 sqm in rectangular shape. Our bespoke wooden ceiling is fitted with 64 LED lights and boasts structural steel beams that help facilitate the rigging of equipment overhead. The frosted skylights allow natural daylight to seep through.

This is your ideal intimate blank canvas, ready for dressing & transforming by the imaginative minds of location managers and event producers- or anyone else in need of an intimate event space.

The Pickle Factory boasts a large open plan reception hall, disabled access, two separate entrances, toilet facilities and 3-phase power. Capacity ranges from 80 for seated dinners to 150 for receptions. The adjacent courtyard can be utilised to facilitate loading-in, as an additional reception point - or for off-street parking.

Long-term hire, dry hire or collaborative projects are all being considered.

The Pickle Factory is licensed for the sale of alcohol (on and off premises) until 11pm on weekdays, 2am on Thursdays and 5am on Friday and Saturday evenings.

Canvas

Canvas

A versatile and unique space in an industrial setting, directly next door to The Pickle Factory.

The venue comprises a blank canvas main room and cocktail bar at the entrance of the building. Upstairs are 4 breakout rooms, perfect for a production office and a roof terrace with an additional office space located inside a shipping container.

As a stand alone venue, Canvas has hosted many exclusive events from product launches, conference and fashion shows, all the way through to live gigs and club nights. When used in conjunction with The Pickle Factory, the venue allows space for up to 500 guests with high spec AV throughout.
